

## ABOUT NEVILLE CENTER

The Neville Center at Fresh Pond has over 240 years of experience providing quality care to individuals. We offer short and long term care, and Palliative Services. Our dedicated staff is committed to providing you with the most comprehensive and customized care, promoting independence and quality of life.

Neville Center is a non-profit organization built in 2004 as a component of Neville Community Partners and managed by Landmark Health Solutions. Neville Place, an assisted living facility, is also a development of Neville Community Partners and is located across the street from Neville Center.

## WELCOME TO NEVILLE CENTER!

Set upon the Fresh Pond Reservation, the Neville Center offers a serene and peaceful retreat for your recovery. After you leave the hospital you may need to regain more strength before returning home. Neville Center provides this care with its hosts of services and special attention to your health.

Enjoy a personal touch with our Ambassador Program: a weekly “concierge” service. Stroll the community gardens. Take a bus to the local grocery store as part of a Community Reintegration Therapy. Above all, enjoy Neville’s exceptional medical care and rehabilitation!

*96% of our patients rated their overall Neville Center experience as ‘good to excellent.’*
